

## 2009 RAIDER NATIONALS CAMPING ASSIGNMENTS – FINAL POSTING

SNI has taken the camping requests and carefully assigned every school to a campground. Many factors went into these assignments therefore, specific campground requests could not always be honored. Special thanks to the schools that worked hard to get us camping info for their school so this could be finalized. Past attendees of Gerald I. Lawhorn Scouting Base in Molena, Georgia will state the camping is top-notch across the spectrum! Any school having any insurmountable problem with their camping site must call ASAP as we have very few options to move campsites due to being very full!

**Camping fees ARE refundable should you have cadets/supporters fail to attend** (unlike the Raider Team Package Fees). Campers MUST check-in with SNI before proceeding to their campground! SNI will be available at the Raider CAMP OFFICE for any questions/problems. We will also be circulating through the campgrounds - please feel free to let us know if we can assist in any way.
