My check here signifies that our school requests entry into the 2010 Air Force National Drill Championships. We have enclosed our School Registration Fee of \$200.00 (payable to Sports Network International), for the event. I do understand that not every school applying for entry may be accepted into the event, and that our school has filled out the portion of this form that outlines our qualifications for acceptance. I further understand that this Registration Fee submitted with this form is non-refundable once our school is accepted into the competition field beginning Dec. 4th, 2009. If we are not accepted for any reason, our complete registration fee will be refunded within 10 business days.

With the WESTERN CHAMPIONSHIPS moving to the Alamodome, we have the space and availability to offer a CHALLENGE LEVEL for less experienced or JV teams that wish to attend. The Challenge level will be offered should sufficient teams register and would run concurrently with the standard competition. Space constraints prevent this level from being offered for the Eastern Championships.

**PLEASE CHECK THE EVENTS YOU PLAN TO ENTER AND LIST A UNIQUE NAME FOR EACH TEAM IN THE SPACE BELOW.
 MAXIMUM ONE TEAM allowed per level and division.**
