

Nationals Drill Camp

PACKING LIST / LAUNDRY / VALUABLES

The campus dorms in use for the NDC are very standard university dorm rooms. Each room has a set of twin beds, a dresser, room for hanging clothes, and a mirror. It is not like staying in a hotel, there are no televisions or private bathrooms. Cadets will share a bathroom with the adjacent room. This bathroom will have a shower, toilet and 2 sinks.

Each cadet will be provided with a flat and fitted sheet, 1 pillow, 1 pillowcase, and one light blanket by SNI. No housekeeping service will be provided. Trash is emptied from each room into a hallway trashcan and collected by building staff daily. Each resident is responsible for making their own bed and keeping their room neat.
