The competitive, safe football games with attendees from across Western North America, combined with the top-quality officiating crews, surrounded by a family-friendly atmosphere all combine to help make the National Youth Football Championships **the finest post-season football & cheer destination for over 30 years**. However, the single biggest factor that has organizations returning to the NYFC year after year remains the level of service and the high importance that fairness plays in all aspects of the event at the NYFC.

The NYFC was a huge success in 2009 and we look forward to making changes to ensure the event stays the finest available! The biggest changes this year include an improved NYFC website, expansion of the on-line team paperwork & information area for registered groups. We are also delighted to be returning to the South Point Hotel as the NYFC Western Headquarters Hotel. This hotel is the perfect home for the NYFC, maintaining a great blend of things to do for kids and parents alike. We are excited to partner with the South Point Hotel to make the 2010 Western NYFC the most exciting ever!

Also, with so many teams choosing to fly to Las Vegas for the NYFC during the very busy Thanksgiving Weekend, flexible travel dates are the key to cost savings and seat availability! Many teams have found that flying out from Las Vegas late on Saturday evening gives them FAR better costs and more seat availability. To assist in this effort, SNI can schedule your trophy receipt to fit your travel schedule!

The 2010 NYFC Headquarters Hotel will remain at the beautiful **South Point Hotel, Casino and Spa** at the southern end of the famous Las Vegas Strip. This facility has spacious rooms, excellent parking, and is located directly on the crossroads of major city highways, allowing quick access to all football fields in use for the NYFC. Event Registration, weigh-ins and closing night trophy presentations will all be held at the South Point Hotel. **Teams wishing to stay at the NYFC HQ should contact the South Point Hotel directly at 866/791-7626 and mention you are with the NYFC.** All rooms are provided on an earliest-reserved basis.

All groups attending the Western NYFC in Las Vegas **book their own sleeping rooms**. This has proven to be a very popular option as this large city offers many deals with plenty of rooms! SNI strongly suggests grabbing the rooms you need directly through the huge room blocks set aside by the NYFC at numerous Las Vegas area hotels including the HQ hotel. These NYFC properties work extremely well with groups and look to offer some of the **LOWEST AVAILABLE RATES DURING THE BUSY THANKSGIVING WEEKEND!** The rooms are so popular, even other sports groups staying in Las Vegas during Thanksgiving often use our rooms to get a great deal! You can direct each parent to call individually to make reservations with their personal credit card. Budget

Rental Car Information

Ground transportation for both teams and individuals at the NYFC can be obtained through many companies. The official NYFC provider is **Budget Rental**

Car! Why Budget? Very good prices, a huge fleet of vehicles, and service that stands head and shoulders above other smaller, fly-by-night companies. Too often, car reservations made with smaller companies during busy time periods either disappear or the vehicle reserved is not available when you show up! Budget loves the family business the NYFC brings to Las Vegas and they work hard to ensure you are happy with your rental experience. For the best rates available to NYFC attendees, you can call Budget directly at 800/772-3773 and reference the NYFC promo code **"U069003"**.

COUNTRYMEATS

A fantastic fundraiser that will assist your group with raising funds for the NYFC or for any other needs you may have. Country Meats produces OVER 20 different flavors of smoked snack sticks. These meat sticks are a quick & easy high protein snack that everyone will love. They sell for only \$1.00 each and for every dollar collected, your organization keeps 48 cents! It is difficult to convince buyers to swallow a \$5 candy bar or \$15 wrapping paper. Almost everyone will buy a tasty meat snack for one dollar when a similar product in stores is nearly two dollars!

Give Country Meats a call and they will be happy to discuss details and send you a free sample pack. You can add them to your football concession stand, have parents place a stand at work, sell them at local high school and college games, even sell entire cases to local businesses.
