

# 2010 Macon Coliseum Floor Diagrams - SECOND FLOOR VIEW

## IMPORTANT NOTE!

The Head Judge position is always the half-way point of any drill barrier. No spectators are allowed within the academic exam. Spectator seating within the Inspection competition is somewhat limited however standing room is also available. **QUIET MODE IS IN EFFECT UPSTAIRS AT ALL TIMES!**

### INSPECTION DIAGRAM - ENHANCED

Schools are reminded that fair play dictates **members of your program watch your school inspections and no others!** Ensure you enter & exit through the correct doors listed.

Usable inspection area space is 20 feet wide by 30 feet deep. Head Judge will position against the back wall at the exact halfway point (10'). Judge 2,3 & 4 will position against the wall. Cadets may enter and exit in any military manner they choose. HINT: Fall In/Out command looks sloppy and never plays well with the judges.
