***With my signature above, I confirm that my school has downloaded the entire team folder for the **Raider Nationals** web homepage (<http://raider.thenationals.net>). Furthermore, I will ensure that our team will read, understand, and submit all of the required enclosures within these downloads to best prepare my unit for the Raider competition. I also understand any minor SOP updates and/or clarifications will be posted prominently on this website for review so I will check back on occasion to ensure my team maintains all of the latest information. Also, I understand our event start times will be posted to this site one week prior to the date of the competition. After the competition concludes, I am aware that our team picture(s), action photography from the event, as well as all scores/ results will be posted to this website.***
