

# 2017 Raider Nationals Weekend - Parking Map & Info - 1166 Dripping Rock Rd, Molena, GA 30258

**PARKING:** There will be a parking attendant to assist in the mornings BUT teams must ensure they and their spectators understand where they can and CANNOT park to keep things running smoothly. Teams camping in primitive should have their parents and buses park with them. These people pay nothing to stay overnight. Parking is TIGHT therefore NO TENTS or other non vehicles may set-up in Main Car/Van Parking Area! When this lot fills, cars will park on the OVERFLOW SIDE of the road (right side as you are entering - DON'T park on both sides!) Those teams with spectators coming in 5th wheels/RVs who are planning to stay overnight should contact SNI in advance to gain a vehicle pass so we can plan for your arrival. No cost for parking but the same \$5 per person/per night cost incurs for those staying overnight either in tents or their own vehicles. Lastly, the BUS DROP OFF is just that - no parking at any time on that roadway - drive AROUND, drop off, leave - especially for awards times!
