

2010 Alamodome Floor Diagram

Spectator seating for thousands in the lower bowl in a horseshoe shaped raised seating area around the six main drill areas. Those who are spectating must remain in these raised seating areas. Performing cadets, team instructors and those needing info/first aid or having other business are welcome to enter the main drill floor. Both Armed & Unarmed Inspection will be held in rooms with standard 36" single entry/exit doorways as listed.

Stairs to Floor Areas
Competitors/instructors ONLY
on the main competition floor!

NOTE: A MALE & FEMALE DRESSING ROOM IS AVAILABLE FOR ALL SCHOOLS TO USE.

SPECIAL NOTE ON INSPECTIONS AND THE TEAM PHOTO AREA:
To get to both the Armed & Unarmed Inspection rooms, as well as the Team Photo room, teams will come down to the arena floor level via stairs from the promenade level (follow the building signage). Detailed drawings of these rooms are posted on-line. All teams should prepare for a "Nationals-like" entrance, with a single, 36" doorway allowing room entry, another for exit, with plenty of spectator seating.
