

2015 Prince George's Sports & Learning Complex Floor Diagram

IMPORTANT!!
 The Head Judge position is always the half-way point of any drill barrier (i.e., at the 25' mark of the 50' barrier for color guard, etc.). Exhibition areas maintain no fixed judge position as this placement is done by the cadet commander. Teams should watch the competition from the bleachers when possible -- competing teams only on the drill floor.

Judges/VIP Entrance from main parking lot (special parking pass required)

Drill areas are formed with traffic cones & vinyl flagging tape suspended off the ground on traffic cones.
