Team total is derived as: The combined NUMBER of pull-ups done by the MALES is compared to the other teams males. The combined TIME of the Flexed Arm Hang competitors will be compared to all other teams females. The PLACEMENTS from EACH of these will be added to determining the final combined placement total. First tie breaker will be the highest total male TEAM score, then if still tied, the highest total female TEAM time. If still tied, the highest individual male pull-up total.
